

Humanitarian Aid to Build Self Respect

## PRESS RELEASE

### HAITI

The Grantham based Charity, Trade Aid, managed by the Rotary Club of Grantham Kesteven, is closely following the terrible situation in Haiti and, at a suitable time, will be seeking assistance to provide support through an appropriate agency.

Trade Aid provides boxes of brand new tools to enable tradesmen who may have lost their means of livelihood to rebuild their business after a disaster and so support themselves, their family and community.

The six trades covered are: Builder, Carpenter, Blacksmith, Mechanic, Tailor/Seamstress and Teacher.
